NSRA & HAMPSHIRE DECISION TO EXCLUDE SH2 SHOOTERS FROM MIXED COMPETITION

Although too late for this season's competition it was decided that the Association would not do likewise. Fareham have five SH2 Shooters and Havant 2. To exclude them would have a significant downward impact on the Shoulder to Shoulder league and the Association did not have an alternative competition for the SH2 shooters to enter. It was considered that with the SH2 shooters using smaller targets this should redress the imbalance in scores. The LSR Shoulder to Shoulder rules are to be amended to shows that NSRA rules do not apply to excluding SH2 shooters from the competition

AGM

The date confirmed as Friday 18 September. The Secretary had not received any notification of changes to the Officers and Committee so to remain the same.

WD to circulate a list of trophies not yet returned. He has medals in hand. A list of prize winners has been circulated in the hope of the individuals collecting their trophy.

ANY OTHER BUSINESS

Mark Taylor asked if progress was made with an Air Rifle league. Response had been low and he volunteered to try and get a competition started. The biggest difficulty being the great variance in shooters averages.

Wayne Dugan was concerned how he should divide the two Shoulder to Shoulder leagues as there are now only 13 teams entered. There was no great variance in averages in making the two league numbers of 6 and 7. The same split as previous with 8 in div 1 was decided.

Date of next meeting: Wednesday 2 December 2015

There being no further business the meeting was closed at 20:40.
