

PORTSMOUTH & DISTRICT SMALLBORE RIFLE
AND PISTOL ASSOCIATION

COMPETITION RULES

REVISED 2015

PORTSMOUTH & DISTRICT SMALLBORE RIFLE
AND PISTOL ASSOCIATION

GENERAL COMPETITION RULES

1. The National Smallbore Rifle Association's Rules and Regulations for Rifle, Air Rifle/Pistol and Sports Rifle Competitions shall apply as appropriate and as amplified by the specific rules for each competition laid down in the relevant sections below. In the event of any disagreement between these rules, the specific rules for the competition shall apply.
2. No-one may shoot for more than one club in any one competition in the same season without approval of the Committee.
3. Any breach of the rules may, at the discretion of the Committee, entail the disqualification of the competitor or the team involved. The alleged offender shall have the opportunity of stating his or her case to the Committee.
4. If any team fails to fulfill a fixture with another team, not having already re-arranged the fixture by mutual agreement, the team which is not at fault shall shoot its own cards and send them to the appropriate Statistical Officer for marking. It will be given a walk-over unless the Committee decides that the match should be re-arranged after hearing explanations from the representatives of the two teams.
5. Members of the Committee may attend any match arranged by the Association if they so wish.

6. In all matches the cards used shall be those currently adopted by the NSRA for the appropriate type of competition. In shoulder to shoulder matches the home team shall provide cards identical in all respects for both teams. A representative of each team shall initial the backs of all its opponents' cards before they are shot.
7. In shoulder to shoulder rifle matches an unbroken margin of white at least 50mm in width, shall surround each match card and sighter target. The latter shall be placed at the left hand side of the card, level with the top row of targets and approximately the same spacing.
8. After each detail in shoulder to shoulder matches all shot cards shall be placed in a suitable container in the room where the teams are assembled. When all details have shot, the cards shall be marked by the captains of the two teams using an authorized 0.22" gauge and (for rifle matches only) a marking board provided by the home team. Once the gauge has been inserted in a shot hole it shall not be removed until both captains have agreed on the value of the shot.
9. The scores of both teams shall be recorded on the card provided by the Association which shall be signed by both captains and sent to the appropriate Statistical Officer by the captain of the home team, or his club secretary, within 24 hours of the match being shot. If the captains cannot agree on the scores, the card shall not be signed but shall be sent with all the shot match cards to the appropriate Competition Secretary for the decision of the Committee. This decision shall be final.
10. Markers in shoulder to shoulder matches shall not coach or spot for other members of their team, nor shall they look at

the shot match cards before marking apart from those in the details in which they shoot.

11. Entry fees for competitions organised solely by the Association shall be decided by the Committee.

RIFLE LEAGUE RULES

1. The League shall be organised in Divisions, the number of Divisions depending upon the total number of teams entering and being decided by the Committee. The maximum number of teams in a Division shall normally be ten. All new entries shall be placed in the lowest Division, unless the Committee shall decide otherwise in exceptional cases. Teams in each Division shall normally shoot against each other twice in a season, once at home and once away. All matches shall be shot shoulder to shoulder on NSRA approved ranges at 15, 20 or 25 yards.
2. When submitting entries for the League, clubs shall state the day of the week on which each of their teams will normally shoot its home matches and the normal time of starting. This information will be included in the annual list of affiliated clubs that is distributed with the fixture list. Teams are expected to adhere to the dates given in the fixture list. If a team cannot shoot on the proper date it shall give its opponents the maximum possible notice and a new date shall be mutually agreed. If agreement cannot be reached then the matter shall be referred to the Committee through the Rifle Competition Secretary.
3. A team shall consist of eight firers, the five highest scores counting.

8. Competitions and trophies are arranged by the Sports Rifle Association Representative.

LIGHTWEIGHT SPORTS RIFLE RULES

1. Lightweight Sports Rifles must conform to NSRA specifications, namely Calibre up to .22 cartridge or air, maximum weight 4kg without sights, minimum trigger weight 500gm, any sights except laser and maximum of 10 rounds in a magazine.
2. No slings or specialized shooting clothing to be worn. Gloves may be used although their weight will be included within the total weight of the rifle as stated in Paragraph 1.
3. The target specification is 4 x NSRA PL14 targets for able bodied and SH1 shooters. For SH2 exemption certificate holders 4 x Type AIR 4/89 targets per person per round.
4. The course of fire is two details, each of 10 rounds within 10 minutes from an unsupported standing position, unless the shooter is a holder of a SH1 or SH2 exemption certificate, 5 rounds onto each of 2 targets placed at 20 yards distance. Magazines are not to be loaded until on the firing point. Both details are to be completed within a period of two hours.
5. The home club will be responsible for Range Control. A Range Officer must be present for all details. No shooters on range until after targets are changed.
6. Each team shall consist of up to 8 shooters, one of whom shall be designated as Captain. The highest 4 scores will count as a team total.
7. Three copies of the score card are required - one to each captain and one to the Competition Statistical Officer.
4. Each competitor shall fire one card of 10 shots, preceded by unlimited sighting shots. Sighter targets shall be placed on the butts with the match card as specified in the General Competition Rules para 7 above.
5. The time allowed for a match is two and a half hours.
6. Coaching and spotting are not allowed in Division 1.
7. The winning team in each match shall be awarded two match points. If there is a tie each team shall be awarded one match point. At the end of the season the team in each Division with the most match points shall be the winner. If two or more teams tie with the same number of match points the order shall be decided by the aggregates of gun scores for the season.
8. Normally, the teams finishing first and second in Division 2 and lower Divisions shall be promoted to the next higher Division at the start of the next season, and the two bottom teams in each Division shall be relegated to the next lower Division. The Committee shall have the power to modify this procedure if considered necessary. In this context, ties in match points and aggregate gun scores, for promotions or relegation. Shall be decided by shoot offs on neutral ranges.
9. When a club enters more than one team in the League, the best available firers at the start of the season shall form the 'A' team, the next the 'B' team, and so on.
10. Except in the case of a club's lowest team, firers forming a team in the first match of the season shall be considered to be registered members of that team, unless otherwise

stated. A firer shall continue to shoot in the team for which he, or she is registered, except that:

- i) A higher team member may be relegated to a lower team if his, or her, average for the last three matches is the lowest or equal lowest of the team, and also less than the corresponding average of the lower team member who takes his, or her, place.
- ii) A lower team member may shoot for a higher team any number of times without losing his, or her, lower team status.

11. No competitor may shoot for more than one team in the same week.

12. All matches shall be completed by 31st March, under ordinary circumstances. The Committee shall have the power to extend this period if special circumstances warrant an extension.

13. If a team withdraws from the League during the season its record shall be deleted from the divisional tables.

14. If a club enters fewer teams than in previous seasons the lowest team shall be withdrawn. The Committee shall have discretion to vary this rule depending upon the circumstances.

15. Individual averages shall be calculated from all league matches shot, irrespective of division. The qualifying number of matches is 75% of the possible total. With all scores counting.

16. The averages so calculated shall count in the Division in which the competitor fired the most matches. If he, or she,

AIR PISTOL LEAGUE RULES

1. The Association includes a 20 yard air pistol shoulder to shoulder league.
2. Air pistols must conform to NSRA specifications, namely Calibre .177, maximum weight 1.5kg, minimum trigger weight 400gm, open sights and fit into a box 420 x 200 x 500mm.
3. The target specification is 2 x NSRA type PL15 targets per person per round.
4. The course of fire is two details, each of 10 rounds within 10 minutes from an unsupported standing position, 10 rounds onto 1 x PL15 target placed at 20 yards distance. Both details are to be completed within an overall period of 2 hours.
5. The home club will be responsible for Range Control.
6. Each team shall consist of up to 5 shooters (or more with agreement of the visiting team captain), one of whom shall be designated as Captain. The highest 3 scores will count as a team total.
7. Three copies of the score card are required – one to each captain and one to the Competition Statistical Officer.
8. Competitions and trophies are arranged by the Air Weapons Association Representative.

In the event of a tie the highest gun score will count and, if still a tie, then countback will be used.

4. The final will consist of a two card shoot with scores being converted using the Handicap Chart. The highest total will win the Championship Trophy. The Divisional trophies will be presented at the Portsmouth & District Smallbore Rifle & Pistol Association AGM.
5. Standard NSRA Targets must be used and NSRA Postal Rules will apply.
6. Targets may be shot in advance. The last day for the return of targets will be the 5th day after the closing date for that round. This will be strictly applied.

fired an equal number in two or more Divisions, then the average shall count in the higher Division.

17. In the event of two or more competitors tying with the same average for an individual championship (See Individual Trophy Section below), the Rifle Competition Secretary shall arrange a two card tie shoot on a neutral range.
18. Any alterations to these Rifle League Rules shall be discussed and voted on by the Committee.
